

**Abortion...***Continued from page 3*

*My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth. Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them."*

Who was in the womb? David! A literal and living person. The Bible never uses anything less than human terms to describe the unborn.

Notice that in Jeremiah 1:5 we are told that God KNEW Jeremiah: *"Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations."*

To further confirm the fact that God views the unborn child as a person, please consider Exodus 21:22-23: *"If men strive, and hurt a woman with child, so that her fruit depart from her, and yet no mischief follow: he shall be surely punished, according as the woman's husband will lay upon him; and he shall pay as the judges determine. And if any mischief follow, then thou shalt give life for life,"*

If the woman has a premature birth and the child lives ("no mischief follows"), then there's no death penalty. However, if the child dies (or the woman dies) God says the death penalty applies: *"thou shalt give life for life."* Why would God require the death penalty if He didn't consider the unborn child to be a human being?

Friend, like it or not, God says that life begins at conception, ...

The Bible is filled with warnings of the dangers of drinking intoxicating wine. The wise man wrote, ***"Who has woe? Who has sorrows? Who has contentions? Who has complaints? Who has wounds without cause? Who has redness of eyes? Those who linger long at the wine. Those who go in search of mixed wine. Do not look on the wine when it is red, when it sparkles in the cup, when it swirls around smoothly. At the last it bites like a serpent, and stings like a viper. Your eyes will see strange things. And your heart will utter perverse things. Yes, you will be like one who lies down in the midst of the sea, or like one who lies at the top of the mast, saying: 'They have struck me, but I was not hurt; they have beaten me, but I did not feel it. When shall I awake, that I may seek another drink?'"*** (Proverbs 23:29-35).

The prophet Isaiah spoke of the wicked rulers of his day: ***"Woe to men mighty at drinking wine. Woe to men valiant for mixing intoxicating drink, who justify the wicked for a bribe, and take away justice from the righteous man"*** (Isaiah 5:22,23). Isaiah also condemned the shameful conduct of the priests and prophets in his day: ***"But they also have erred through wine, and through intoxicating drink are out of the way; the priest and the prophet have erred through intoxicating drink . . ."***

By: James L. Melton

Prior to the **Roe vs. Wade** Supreme Court decision of 1973, about 500,000 illegal abortions were occurring per year. By 1975, over 1,000,000 babies were being aborted in the United States. Today, about 1,500,000 abortions occur each year. That's over 4000 per day, and nearly three per minute!

Ninety-three percent of the abortions in America are for convenience. The mother's health is an issue only three percent of the time, and the baby's health is an issue only three percent of the time. Rape or incest are issues only one percent of the time. Ninety-three percent of all abortions in America are performed just because someone doesn't want a child!

that whenever they denounce it, and connect it with drunkenness and reveling, they can only mean alcoholic or intoxicating wine."

The word "wine" simply refers to the juice of the grape. Whether it means fermented wine, which could make one drunk, or unfermented wine, which would not make one drunk, depends upon the context. For example, Isaiah 65:8 says: ***"As the new wine is found in the cluster, and one says, 'Do not destroy it, for a blessing is in it.'"*** The context makes it very clear that unfermented wine is being spoken of. The cluster refers to the grapes which are still on the vine. It is not possible they could be fermented, and, therefore, intoxicating, while the juice was still in the grapes on the vine.

**Abortion...** *Continued from page 1*

There are four basic types of abortion being performed in America today, while two more types may be added in the near future. First, there's the **suction type** abortion. This is where the unborn child is literally vacuumed from the mother's womb during the early stages of pregnancy.

The **currette-type** abortion is where the child is cut from the mother's womb with a spoon-like object.

A third type is similar to a **Caesarean operation**. The baby is surgically removed from the mother and allowed to suffocate, because the child's lungs aren't developed.

The fourth type of abortion is the **Salt Brine** technique. With this method, the unborn child is literally "pickled" to death by the injection of a strong salt solution. A few days after the injection the child is still born.

There is currently much debate about *partial-birth* abortions. This is where a child is partially delivered, then stabbed in the skull to have his or her brains sucked out.

There is also much talk about the *RU-486* abortion pill from France, also called "mifepristone" in America. This pill works by inhibiting pregnancy hormones, and is normally used within seven weeks from conception. At the present time, mifepristone is illegal in the U.S., but there is much political pressure to make it legal.

**Abortion Is An Act of Murder**

In reference to pregnant women, the term "with child" occurs twenty-six times in the Bible. The term "with

fetus" never occurs once.

In Luke chapter one, verses 36 and 41, we are told that Elisabeth conceived a "son" and that the "babe" leaped in her womb. God does not say that a "fetus" leaped in her womb! He says THE BABE leaped. This is the exact same word that God uses to describe Christ in the manger AFTER He is born (Luke 2:12, 16). In God eyes, an unborn babe and a newborn babe are the same. They are both living human beings!

Dear reader, please answer a question: *What is an "infant?"* Get the answer in your mind and keep it there for a moment. Do you have it? Okay, please consider Job 3:16: *"Or as an hidden untimely birth I had not been; as infants which never saw light."* Did you see that? Job referred to unborn children as INFANTS. Not fetuses! Not masses of tissue! INFANTS! In God's eyes, an unborn child is a living human baby. God never says once that an unborn child is anything less than a human being.

David said in Psalm 51:5, *"Behold, I was shapen in iniquity, and in sin did my mother conceive me."* He did not say that a fetus was shapen in iniquity and conceived in iniquity. David, speaking under the inspiration of the Holy Spirit, said that HE was conceived. David, not a blob of tissue, was conceived.

The same is the case in Psalm 139:13-16: *"For thou hast possessed my reins: thou hast covered me in my mother's womb. I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well."* *Continued on page 4*
