

conscience to give guidance to every person. To be sure, men have often seared their consciences so they do not hear this still small voice. A child of God, on the other hand, finds that in addition to his conscience he now has the Spirit of God, Himself, indwelling and directing him. It is as though his conscience has been sharpened. Things that were nominally wrong to him in the past, now become repugnant. He now has a heightened desire to want to please God, not because he has to, but because he wants to.

## 6. Good Works

***For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.*** (Ephesians 2:10)  
***For as the body without the spirit is dead, so faith without works is dead also.*** (James 2:26)

The child of God finds that he now desires to do good for all people. Whereas before he may have grudgingly done things for others or did so to get self recognition, now he does so in pure love for the other person. Again, these things are not done because he has to, but because now he really wants to. It is the love of God shed abroad in his heart!

## 7. The Chastening of God

***For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth. If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not?*** (Hebrews 12:6-8)

Although no child likes to be chastened, it is an evidence of both love and parenthood. As much as the child next door may aggravate us with his disobedience, we do not chasten him. He is not our child. The same holds true with children of God. Although God has created laws for which there are penalties when broken in the physical and moral realm, He is not at this time chastening the disobedient, unsaved world. He does, however, discipline His children. The severity and form of discipline is Almighty God's prerogative.

In some cases He may simply remove His peace from our hearts causing uneasiness and an awareness of lack of fellowship and communion with Him. In other cases it may be as severe as death (I John 5:6; I Corinthians 5).

As a child of God, His discipline as a loving Father is an evidence of our belonging to Him. ***"But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons."*** (Hebrews 12:8)

## Put Yourself To the Test

God has given these evidences so that any person may know assuredly whether or not they are one of His children and, thus, have had their sins forgiven and are destined for an eternity with Him. Read each of the verses cited carefully to see if they are true in your life.

## FREEMASONRY -- TWO ORGANIZATIONS, ONE VISIBLE, THE OTHER INVISIBLE

*By: David Bay, Director of CuttingEdge Ministries*

**This is a short article we hope every Mason will read before he begins to read any of our other articles. There is a Masonic organization out there most of you know nothing of, even if you are a 33<sup>rd</sup> Degree Mason.**

We have constantly received emails from Freemasons who are absolutely anguished over our articles depicting Masonry as being Satanic. They honestly proclaim to us that this is NOT the situation in their Lodge; further, they say, they are 32<sup>nd</sup> or 33<sup>rd</sup> Degree, and would certainly know what Freemasonry is and what it is not; and, they boldly proclaim: Masonry is NOT Satanic.

We are both right: You are right when you claim that Freemasonry is certainly not Satanic as you have practiced it in your Lodge. And we are right when we say that Freemasonry is Satanic to the core, and is striving mightily to produce the New Age Christ [Antichrist]. How, you ask, can we both be right? Simply put, Freemasonry is an **organization within an organization**. One organization is deliberately lied to and mislead with false interpretations, while the inner organization knows the spiritual Truth of Freemasonry, and embraces it with heart, soul, and mind.

## DESCRIPTION OF THE ORGANIZATION OF FREEMASONRY

Let us hear Masonic author Manly P. Hall describe this two-dimensional organization of

### **FREEMASONRY...** *Continued from page 1*

Freemasonry. Masonry is comprised of two distinctly different organizations, one visible and one invisible. Hall describes this two-level organization: [Hall was honored by The **Scottish Rite Journal**, who called him 'The Illustrious Manly P. Hall' in Sept, 1990, and further called him 'Masonry's Greatest Philosopher', saying "The world is a far better place because of Manly Palmer Hall, and we are better persons for having known him and his work"]. This is what Manly P. Hall said: " Freemasonry is a fraternity within a fraternity -- an outer organization concealing an inner brotherhood of the elect ... it is necessary to establish the existence of these two separate and yet interdependent orders, the one visible and the other invisible. The visible society is a splendid camaraderie of 'free and accepted' men enjoined to devote themselves to ethical, educational, fraternal, patriotic, and humanitarian concerns. The invisible society is a secret and most august [defined as 'of majestic dignity, grandeur'] fraternity whose members are dedicated to the service of a mysterious *arcannum arcandrum* [defined as 'a secret, a mystery']. " [Hall, **Lectures on Ancient Philosophy**, p. 433]

Many well-meaning men are members of this **visible** society with no knowledge whatsoever of the inner **invisible** society. In fact, Albert Pike had some things to say about the brethren in the **visible** society: "Masonry, like all the Religions, all the Mysteries, Hermeticism, and Alchemy, conceals its secrets from all except

### **EVIDENCE...** *Continued from previous issue*

**The word which God sent unto the children of Israel, preaching peace by Jesus Christ (he is Lord of all) (Acts 10:36) Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. (John 14:27)**

This promise of God is just as available today as it was when the Lord Jesus Christ made it some 2,000 years ago. The true child of God can vouch for it. There is an inner peace and calm of the soul that is the property of every babe in Christ. He now has peace with God! Later, as trials of life come to the Christian, he learns that the peace of God is available to him in the face of sometimes otherwise unbearable circumstances. Just as the presence of a worthy human father calms the fears of his trusting child, so does the presence of the Christian's heavenly Father as he prays and asks for God's, guidance and interceding according to His will.

### **5. The leading of God**

**For as many as are led by the Spirit of God, they are the sons of God. (Romans 8:14) For it is God which worketh in you both to will and to do of his good pleasure. (Philippians 2:13) And every man that hath this hope in him purifieth himself, even as he is pure. (1 John 3:3)**

Ever since the fall of our great, great, great grandparents in the garden of Eden, God has instilled a
